

Dear friends

Over one year later from Andrew's marathon and with works complete, we would like to express our sincere thanks to you for your kind donation towards Libby's Lift. We have been truly overwhelmed by the support and generosity received and cannot begin to tell you the difference this has made to all our lives. Not only did we meet the target but we beat it! Libby now has a beautiful bedroom; an accessible wet room and the lift is in! It wasn't easy to have the mindset to raise money for the lift but with some 'gentle persuasion' from family members, the outcome for Libby is definitely a positive one. Knowing that Libby has better access to all areas of the house being moved around safely is such a relief to us, and with Daniel and Carla being so hands on involved with Libby, it means we can all participate in her care.

Sullivan's Heroes charity has been so supportive and our thanks goes to Fiona for all her hard work. To view recent pictures and get the full story please click on the below link

In fact, throughout the fund raising we have been touched by so many of you and with Andrew's marathon in Chester it has been very emotional for us. How he had the energy to run a full marathon, run and jump over the barrier to swoop Libby up in his arms afterwards was beyond us but he was buzzing and so were we! We, together with family and friends, had a great weekend.

Again, many thanks to you and at this time of year we wish you a happy Christmas and prosperous New Year.

Best wishes

Deana, Darren, Daniel, Carla and LIBBY!
