

Building brighter futures for disabled children

Sullivan's Heroes provides financial grants and fundraising assistance for families with disabled children, raising essential funds to adapt their homes to meet the child's care and health requirements.

The charity offers fundraising support for these vital home adaptations, to help families striving to create the optimal home environment for their child to live safely and with dignity.

Get Help

To apply for assistance from Sullivan's Heroes for setting up a Fundraising Page towards home adaptations for your child and applying for a Financial Grant, simply download our Application Form from our website:
